**LETTERS FROM FRIENDS MAY ARRIVE**
NAKOT will bring letters from friends.
SAYING GOODBYE

Make a Photo Album of Tamagotchi Character that is turning to Tamagotchi Planet!

1. After approximately four days pass after a character has reached the ADULT stage, it will return to Tamagotchi Planet. You’ll then prepare to say goodbye to Your character.
2. Create a Photo Album with Your character and say goodbye. If you lose less than three pictures stored in your Album, you cannot create a Photo Album and you cannot say goodbye to Your character.

HOW TO CREATE A PHOTO ALBUM

ITEM BOX > DECOR (P.45)

Refer to this section to add color to your Album. Once you add a color to your Album, you can select three pictures to remember your time with Your character. Select DECOR when prompted with ARE YOU SURE to design before the selected picture and check them. Select CONFIRM to create your Photo Album. Select GO BACK to change picture again.

Your character and his Photo Album return to Tamagotchi Planet, then choose the next EGG to send to you.

If you play a lot of mini-games in your CHARACTER ROOM, your character might become protected when you say goodbye.

*EVEN IF your EGG is infected by other players, you will not get a JUNK EGG when using the Photo Album. If you do not want to say goodbye, just take the Player from your EGG. If you do not want to say goodbye after selecting the Action, you will choose an EGG from EGG BOX > DECOR (P.45).

Choose what you want to change, then confirm.

BE CAREFUL!

If you select RESET ALL and confirm, all data will be erased and the game will return to its default settings.

No guarantees are made regarding deleted data.

If you continue to play for a long time and the batteries run out without KANDENSURI’s attention, your character may experience the following malfunctions. If this happens, insert new batteries and refer to the Replacing Batteries guide above.

*The sound gets very quiet.
*The sound levels or other malfunctions occur.

REPLACING BATTERIES

When the batteries run low, KANDENSURI will let you know. If you use the correct size battery, you will be able to insert anything. See the Birth of a Tamagotchi Character (P.23) and put in two new batteries.

CONTINUE can be chosen once again after saving the Tamagotchi Character you were raising.

TROUBLESHOOTING

Can’t Connect with Another Tamagotchi Pix Device

WHEN SENDING: If the screen is too dark, it will be hard to read the displayed TAMAGOTCHI Pix.

Change the brightness on the SETTINGS screen.

WHEN RECEIVING: Make sure the TAMAGOTCHI Pix is within the range box.

THE LCD screen is hard to see!

Adjust the screen’s brightness settings. (P.19)

I can’t hear any sound!

Go to SOUND and check that it is set on. (P.15)

THE SCREEN is completely black (or white), or there’s no sound, and the buttons won’t do anything!

The batteries may be running low. (The batteries may run out without KANDENSURI’s attention.) Refer to Insert Batteries (P.23) and replace the batteries.

My character won’t wake up! Or it won’t go to sleep!

Your character will wake up or go to sleep on its own at scheduled times. Check to make sure your time is set correctly. (P.26) Also, in p.m.m.m. is incorrectly set. Your character’s day and sleep cycle will be changed. (P.15)

I tried to download an item, but it said, YOU HAVE TOO MANY ITEMS!

You may only keep a certain amount of items. If you delete items from the various storage areas and free up room, you can download new items. (P.26)
